INVITE YOU AND YOUR FRIENDS TO JOIN US FOR A UNIQUE

HOOFCARE ESSENTIALS™ FREE CLINIC

On Sunday, March 10, 2024

**at Jim Brandon Equestrian Center, 7500 Forest Hill Blvd.,
West Palm Beach, Florida**

**“Farrier / Veterinarian Pre-Purchase
Analysis and Shoeing of the Sport Horse”**

This unique hands-on experience will allow farriers to work in teams of a maximum of 4 farriers to view horses at a walk and jog, and review radiographs and further analysis of the needs of the horse.

Following the analysis the farrier team will work with a veterinarian to develop a shoeing prescription for the horse. The team will then shoe the horse (all four feet). Afterwards the team will present its evaluation to the entire group with a full conclusion of the steps taken for this horse.

We are planning for 10 – 12 horses which will engage 40 – 48 farriers.

Farriers are encouraged to register themselves, teams of two (which will be combined with other teams of two), or a full team of 4 farriers.

Please click on this QR Code to register prior to Friday, March 8, 2024. Registration is required to confirm the appropriate number of horses.

Schedule for the Day:

- 7 am – Coffee & Donuts
- 8 am – Assessment of First Horse
- 12 Noon – Lunch
